

# Glass and Plateware Instructions

Our tableware needs your help in keeping them in their pristine condition!

Charger plates, glassware and flatware should be \*dishwasher ready (free of food debris) upon return and placed back in their supplied containers.

- All original containers, totes or boxes must also be returned.
- Please ensure all glassware is placed lip down into the racks provided.
- All plateware is to be scraped and free of food debris

There will be a replacement fee at retail cost billed to the client if any of the tableware breaks or is missing during your rental period.

Missing and broken containers and boxes will also be charged.
